Dear Name: \_\_\_\_\_,

It is a pleasure to invite you and your company to Washington DC, USA to attend the annual **2024 Nuclear Energy Security Summit**. The Summit is being held June 26-27, 2024 at the Ronald Reagan Building & International Trade Center in Washington, DC.

The **Nuclear Energy Security Summit** promises to be a pivotal gathering, uniting an esteemed assembly of government and industry leaders, who will chart a path for advanced nuclear power technology that aligns with both U.S. and international priorities, encompassing energy reliability, national security, global development, and environmental sustainability.

I would like to request that the Visa accommodates the length of the conference as well as allow for adequate travel time. All expenses will be covered by your sponsoring company, and you will earn no salary from a US source during this trip.

It is important to note that a visa is required for the purpose of visiting the United States. Advance travel planning and early visa application are critical to allow for lengthy processing times. For more information on how to apply for your visa and the time required for visa processing, please contact the Consular Section of the Embassy or Consulate nearest you. A list of consular offices is available online at [www.usembassy.gov/](http://www.usembassy.gov/).

Please visit our web site at [www.NuclearEnergySecuritySummit.com](http://www.NuclearEnergySecuritySummit.com) to receive additional information about the show, as well as access to housing and registration forms.

Thank you for your interest in **Nuclear Energy Security Summit**. We hope that you will be able to join us in Washington DC this coming June.

Sincerely,

*Brian Nessen*
